

# SPOLITICAL CATHARSIS

Sharp toxic observations of a  
character called Deepak Kamat.

I have one major philosophy – that is of no-doctrine. There are no golden rules in my philosophy.. except being sensitive and living in the moment. Combine the best of the east and the west.. The same as the Vedas say: May noble thoughts come from all directions.

1. Nobel Prize and the looting of India – Say no to white skin.

2. Hindutva is the end of all psychological hangovers.

3. He may either possess enough to fill a granary, or a store filling a grain-jar; or he may collect what suffices for three days, or make no provision for the morrow ~ The Sacred Laws of Manu on Brahmins. Chapter 4, verse 7.

Here, Hindu law-giver Manu lays down the principle of non-aggrandisement for the priestly / scholarly Brahmin community. They were never meant to covet wealth or hoard. They were meant to be Spartan, and always in relentless pursuit of knowledge, wisdom and Dharma.

4. EVM fraud on the nation: Hari Prasad, a scientist, clearly proved that Indian Electronic Voting Machines are vulnerable to fraud. Rather than correct the error, they arrested Hari Prasad himself.

5. Beware of self-righteous idiots. They are usually ignorant.

6. THOMAS FRIEDMAN IS RIGHT. THE WORLD IS FLAT INDEED.

7. The science of appeasement: Feeding the crocodile hoping against hope that it will eat them last.

8. Shivaji's Hindavi Swaraj.

9. I contradict myself because I am vast.

10. Political correctness

10. Looking out is samsara. Looking within is Sanyasa.

11. Krishna's advice to Arjuna: Stop identifying with the world. Just play the game.

12. Nothing merges except meditgaton  
Sex, Hugs and nothing matters except the final Samadhi.

13. Hindutva is about collective growth – Sanghachadhwam

14. Christopher Hitchens is a friend of the Hindus.

15. Nothing is mandatory in Hinduism. Free to doubt. Doubt is good for your soul. More the doubts. More the faith.

16. The entire Bollywood has anti-Hindu slant: When Hindu heroes come up, they are pulled down. Roshan was shot at because underworld didn't like him. Gulshan Kumar was killed. Anup Jalota got threats for his bhajans. Even Amitabh went into a loss. Brahmins girls are projected like vamps while Muslim men are projected like heroes. Brahmins are made to look like idiots. Hindu Gods are insulted thorough vulgar songs. Muslims are always good Samaritans. The unconscious message is very dangerous to society. Hindu heroes like Akshay, Hrithik and Vivek Oberoi mentally tortured through media campaigns. That bastard Salman tired to forcibly marry Aishwarya and was stopped at his track by Bal Thackerray. You should be really retarded to enjoy Bollywood movies. They should be given a R certificate. R stands for retarded.

17. Krishna's emphasis is on the the absence of the doer, not on the absence of action itself. Krishna emphasizes that the doer should go, and only doing remains."

18. Hit it right. Hindutva is unconditional love, not an ideology of hate. Truth remains truth even if media dogs bark 24 x 7.

*“Whatever is visible to you, a shadow of the invisible has also begun to appear within it. If you stop at what is visible, devotion will never be born in you.”*

*Devotion is not slavery. It is a liberation. It is an hand to the sky.*

*Just be a Pagan first and everything will follow. Start enjoying life. Without any guilt And you will end up in the lap of God.*

*Society is always cyclical – free sex, marriage, and again back... very much cyclical... Media always spreads doubts and suspicions and creates unnecessary anxiety.*

*Always negative... as if the world will sink any moment.*

19. Sri Gururji of the RSS is an indirect disciple of Ramakrishna used to fall from bicycles. Some thought it mental imbalance. In reality, it is a characteristic of sabeeja Samadhi.

20. Humanity is still in a low stage – many are addicted and workaholics. Freedom from pathological obsession should be the mantra..

21. Indulgence and repression are two extremes.

**SAMADHI happens in your innermost core; it is the ultimate drug — SOMA. Panchamakara.**

**22. From head to heart to hara.**

Life is a sweet song but man has made it ugly.

**THOSE WHO RENOUNCE ARE STUPID PEOPLE**

22. RSS has become a pathological organisation at the lower end which kills joys and overemphasises sacrifice.

23. Life has no meaning. You give meanings to it.

24. What is life? Existence is without cause? Leela or Maya? That's how science fails to understand life. Science is compartmentalised.

25. **HARMONY : Life is complementary. It contains opposite**

**Highest wisdom contains foolishness. Cognitive dissonance life is never logical.** you cannot exploit people playfully, you have to be very serious Turghnev's fool always dominates.

26. 3 types of person. Those who live in the head. Those who live in the heart.. and those who are non-dual. You are not the body. You are not the mind. You are the stuffs that the dreams of samsara are made of.

Misreporting Thackeray's granddaughter's marriage – those media bastards.

27. Harvard University is dead. Long live Subramanyam Swamy.

The law is an ass: In India, wife beating and Dalitdom is offence. Terrorism is not. Propped by Christians no doubts.

Subramaniam Swamy on Why muslims & christians have no right to vote in Hindustan

1. Declare India a Hindu Rashtra in which non-Hindus can vote only if they proudly acknowledge that their ancestors were Hindus

2. Enact a national law prohibiting conversion from Hinduism to any other religion

3. India that is Bharat that is Hindustan is a nation of Hindus and others whose ancestors were Hindu. If any Muslim acknowledges his or her Hindu legacy, then we Hindus can accept him or her as a part of Hindustan

28. First watch your breath, then your thoughts, then your emotions. When all the 3 disappears, the soul surfaces.

29. I have said this a million times. I am saying this for the last time. Marriage itself is unnatural. Every dick is looking for an easy lay. Every cunt is looking for the greatest catch. As simple as that. Your etiquettes are nothing but your effort to hide your animal nature. I do agree with transcendence. If you are transcendent, you don't need marriage. Osho is 200 percent right.

Well, it is not a question of beliefs and agreements. It's a fact. Evolutionary biology says that humans are polygamous. owever, it is possible to transcend – Vanara to Nara to Narayana.

Body, breath mind intellect memory ego and the self.

30. Worshipping traitors: The nation is still reeling in colonial hangover

31. Respect religion alright? But what about religions that don't respect your religion?

I feel that Subramaniam Swamy made a small mistake in his DNA article. Muslims should be given the right to vote only if they sign an undertaking that they would not resort to violent jihad against Hindus. That

should have been the precondition for a vote. You can acknowledge common ancestry with Hindus and yet resort to terrorism. The only problem that Hindus have with Muslims is violent jihadi terrorism. That should end. That's it.

ý.. and this is exactly the point where I differ from Subamaniam Swamy as well as the Sangh Parivar thinkers in general.

It is not the job of the intellectual to voice the majority opinion. There are others to do it.

32. There is a great need for a politically incorrect publisher in India. Most of the publishers in India lack spine. When asked to bend, they crawl.

33. At a hindsight, it's nice to know that Harvard kicked out Swamy. Now I am absolutely convinced that the mainstream media and Universities are unfit to stand up for simple truths. Now I harbour no illusions for our spineless mainstream intellectuals.

34. Paid media fires anybody who does not agree with them. I am a first hand victim of this bullshit.

35. Aryan Invasion theory was just a political conspiracy to dominate India.

36. Satyam vad. Dharmam char.  
Swadhyayanmaa Pramadh.  
Satyaan Pramaditavyam. Dharmaan  
Pramaditavyam.  
Kushalaan Pramiditavyam. Bhutyae na  
Pramaditavayam.  
Swadhyayapravachanaabhyam na  
Pramaditavyam.  
Meaning.....

Speak what is true. Do your duties. Continue without neglect the study of the Veda. Do not swerve from Truth and Dharma, and do something useful in the social economy. Achieve greatness, and do not fail to refresh your memory in respect of what you have learnt.

37. Once you know yourself, you don't need women. Your lust for women is nothing but your own craving for yourself in a wrong direction.

### 38. Brahmacharya and the split mind.

### 39. Awareness comes first. Sexual detachment comes later.

### 40. Spurious quotes in the net.

Zen says: Think of all the great words and great teachings as your deadly enemy. Avoid them, because you have to find your own source. You have not to be a follower, an imitator. You have to be an original individual; you have to find your innermost core on your own, with no guide, no guiding scriptures. It is a dark night, but with the intense fire of inquiry you are bound to come to the sunrise. Everybody who has burned with intense inquiry has found the sunrise. Others only believe. Those who believe are not religious, they are simply avoiding the great adventure of religion by believing.

41. LOGIC EMOTION and Spiritual nothingness in that order.

I is a humble word. I have enough humility to recognise my own genius.

Don't wait for others to sing your praises. Pat your own back yourself. Self-help is the best help.

### 42. It's a Hindu world

Hindutva is not compartmentalized. It is integrated. That is why it is tough for western minds to understand Hindutva.

Demystification is selective among the Communists.

Why Ramayana and Mahabharatha are not myths – part of History

43. Horoscopes, astronomy and Hindu history

Shriram's Sate's dating the Buddha proves that the pseudo historians are wrong.

44. When everything is an illusion, then there is nothing to worry – Remember Nobody kills and nobody gets killed.

I contradict myself because I am vast.

45. Consistency is the virtue of the little mind. For me, nobody is untouchable and nothing is unbecoming.

46. Maxica – It is a Hindu world. Maxica is the wife of Arjuna. After her, Mexico is named. Russia is Rishipurva

47. Using Hitler to malign Hindus.

48. We are still Hindus despite Muzzi/Evengelst/ barbarian Commie/Corporate attacks.

49. Hitler was not cruel as the Muzzi/Left Corporare Evangelist alliance

51. Even Prophethood and Virgin birth is eminently a Hindu concept.

52. The postmodernists might think that they are advanced in their thoughts. But by standards of Hindutva, they are considered primitive.

53. The Hindu view of prostitution: Prostitution is the betrayal of the body. Even marriage is legalized prostitution if it is done not out of love but for a consideration.

Nationalisation of liquor and prostitution happened during Chanakya's time. His logic was great. It is

easy to spy on criminals because criminals thrive on wine and women.

54. Protective aura is a must.

55. Buddha's parinarvana is also predestined. Que sera sera.

56. Muslims, Christians and Communists are mental patients.

57. Ishwara Pranidana – Accepting God's will with love and humility is the greatest state of being.

58. Regimentation and Intellectual retardation is not good for your soul.

59. Centering and the inner explosion are methods to reach the inexpressible.

The heart center is based on love, faith, surrender. The head is based on doubt and negation. To be totally negative is really impossible; to be totally in doubt is impossible. But it has happened sometimes, because the impossible also happens. Sometimes, if your doubt comes to such an intensity that nothing remains which is believed, not even the doubting mind is believed, if the doubt turns upon itself and everything becomes doubt, then you will fall down to the navel center.. immediately. But this is a very rare phenomenon.

60. Uncertainty and Living Dangerously: It gives you a thrill.

A negative media born out of distrust lives in the head.

**If you really want peace on the earth, create peace in your heart, in your being**

Live in the present. Live dangerously. Drop the past completely.

61. The Hindu view of maturity and immaturity.

Friendliness, Compassion, Cheerfulness and gratitude – if you have these four qualities, you are almost God. Just a light around your head remains to shine.

Outside emotions are impure. Strengthen the inner world.

Generous People are always beautiful. Repressed people become ugly.

62. Hindutva and Yuppies in CCD/Barista and Discotheques.

63. Cognitive Dissonance and Postmodernist hoax: Always doubting minds and trusting hearts.

64. The root of Hindutva is rootless.. just like this vast universe.

65. Sahaj – be natural.

The difference between fatalism and sahaj (to accept and feel accepted that you are a part of the universal whole) is vast.

66. Each movement is a bliss.. if you don't fight... just float.

67. Muslims vs Christians

77. Projecting Hindu women as unsatisfied. The tale of Bhamati Indian women are emotional..

78. Those Hindus who deny Hindutva suffer from a massive inferiority complex due to the media disinformation campaign.

My Hinduism is greater than yours. Many Hindus suffer from this delusion.

The reluctance to point fingers at Islamic terrorism.

The reluctance to say that you are a Hindu.

79. A man with low energy level talks about God and does nothing else. Sadhana requires infinite energy.

80. Hindus never attack. It is the other which does so.

81. Mental Zakir Naik...

82. The underdog leftists are dominating. Bourgeoisie Hindus are suffering – Reversal of dialectics.

Only language, nothing else.

83. Yantra, Mantra and Tantra

84. Satyakama Jabali.

85. How the Church foists Dalit terrorism to divide Hindu society.

86. Stupid Idiot fucker leftists have made Hindutva and meditation dirty words in the politically correct lexicon. Now it is time for us to return the favour in a politically incorrect manner.

87. Mind is still. Movement creates ripples. Ripples creates thoughts. Cluster of thoughts become emotions. Emotions go out of control. When emotion goes out of control, you suffer from accidents. So reverse the pattern. Observe the emotions, observe the thoughts. be still... Go back to the source... That's Yoga for you.

88. The main reason for media's propaganda to fall flat is Hindu Samskara. Most of the RSS members were in Prithiviraj Chauhan's army.

89. Entry of Muzzis into India.

90. Entry of Christians into India.

91. Mind is the source of all illusions: No mind... it is just a by-product of your thoughts. When it is still, you are reflected.

All thoughts and activities are on the periphery. You are the centre.

92. ALLAH & HAIR DYE: Ibn 'Abbas (may Allah be pleased with him) said: "The Messenger of Allah (Peace & Blessings of Allah be upon Him) said: 'At the end of time there will be people who will dye their hair black like the crops of pigeons. They will never even smell the fragrance of Paradise.'"

(reported by Imam Ahmad, see also Saheeh al-Jaami', no. 8153).

Allah has instructed the believers to shave their pubic hair.

93. I AM A PROUD HARAMI PAGAN BRAHMAN.

Wed or unwed, a person is born out of sex. It is middle class morality that created fathers. Otherwise, there were only mothers and uncles.  
Between Halal and haram. I am harami.

94. By levelling terrorism charges on Hindus, Congress party is wasting creative Hindu time.

95. God's presence is just absence. It is the great void of nothingness.

96. One FB friend told me that there is no need to hate Muslims because her Muslim neighbours are peaceful. Fine, you don't rush to a toilet unless the shit comes to your ass. I don't have anything against peaceful Muslims. The problem comes when they are brainwashed by Mullahs into jihad. That is when they try to convert or kill me. Only then will I take the sword.

97. Selective cut and paste of Indian media:

98. Yogic and tantric catharsis.

99. Even Ramana said that we are remote controlled.

Gods and masters are above remote controlling.

Physical body has destiny, not consciousness.

Regularity vs spontaneity. Each meets. The goal is the same.

Tao and Buddhism – cross fire is Zen.

Being yourself and acceptance is the key.

No need to hate anyone. You can kill with equanimity. That's what Krishna told Arjuna in Mahabharatha. Better luck in the next life.

ý.. .. and practise martial arts with love.. and kick with so much love that your opponent has a better afterlife.

In our holy books. there is nothing like jelous god but in bible and koran there is jelous god. God punniseh non believer and reward beliver of these religions!!

Integrating the male and the female brain. Purusha and Prakruti..

ý.. .. and practise martial arts with love.. and kick with so much love that your opponent has a better afterlife.

Devotion frees.. so does meditation..

Bringing the energy to a boiling point.

Facing the inner emptiness.

Deep rooted hatred and sex.. no way... only love is deep rooted.

101. Congress wants to weaken the army by scrapping ASPA, empower the Islamic & Evangelical terrorists through scrapping POTA and threaten Hindus through the Communal Violence bill. All this to stay in power and loot the country through Arab petro dollars and the Church mafiosi.

Why doesn't Indian media / human rights/ women's rights brigade condemn such a moral police? The answer is simple. The media has become fat due to Arab petro dollars.

102. Just as watching a sexy person can make your wet, even yantra makes it that way.

Removing energy blocks through love and awareness.

Surrender and the path of will.

Yoga is will. Tantra is surrender.

115. This is a confession by all of the great scientists; they are puzzled by it, that whatsoever original contribution they have been able to make is not really their own. It comes from somewhere they know not. They are only vehicles, at the most mediums. But in religion meditation is very deliberate and conscious. Religion practises meditation. In science it is accidental, in religion it is deliberate.

116. All scientific discoveries are accidental. Meditation is deliberate.

117. India suffered after Christian morality. Reason came after Christian morality.

Immediately, I felt mystified because my articles had been acclaimed widely by the readers in India and abroad, from whom I had received several hundred laudatory letters. The cat came out of the bag when I chanced to meet H.V. Seshadri, and asked him why my series in the Organiser had been stopped. He barked back, "You...you go and attack Islam. Then how will any Muslim come to us." I said, "Do you want Muslims to come to you?" He replied, "As a strategy...." I walked**

out of his room before he could complete the sentence. This word 'strategy' makes me feel sick when it is used as a substitute for truthfulness. Later on, I learnt that Seshadri was voicing the BJP view that my articles were "costing the party all its Muslim votes"!" (Sita Ram Goel)

RSS thinks of themselves as organisers. They have outsourced intellect to other. Hedgewar said it he was not bothered about definition but believed in serving Hindu society.

become a cog in the vast machine which is called society and everybody is, unfortunately, concerned about reforming that cog, that piece of machinery. – JK.

So, if I may point out, right education is to make a human being highly sensitive to everything not just to mathematics and geography, but highly sensitive to everything because the highest form of sensitivity is the highest form of intelligence.

His Take On Islam

[quote]Islam deserves criticism on account of the logical consequences of its dogma, namely, that the murder of fellow human beings is to be rewarded with sensual pleasure in a hedonistic 'Paradise'- a concept born in the fantasies of an Arab rebel some fourteen centuries ago. The religion of Mohammed is a dangerous system when the teachings and example of the 'prophet' are believed and followed.

What they don't say is that these people became terrorists for personal reasons .. not Hindu reasons.

However, Islamic terrorists are terrorists not for personal reasons. It is because Koran promises them heaven if they convert or kill.

Remember one thing, even Muslims are a victim of Islam.

### 210. Gita Simplified

Why do you worry without cause?  
Whom do you fear without reason?  
Who can kill you?  
... The soul is neither born, nor does it die.  
Whatever happened, happened for the good;  
whatever is happening, is happening for the good;  
whatever will happen, will also happen for the good only.  
You need not have any regrets for the past.  
You need not worry for the future.

The present is happening...  
What did you lose that you cry about?  
What did you bring with you, which you think you have lost?  
What did you produce, which you think got destroyed?  
You did not bring anything, whatever you have, you received from here.  
Whatever you have given, you have given only here.

Whatever you took, you took from God.  
Whatever you gave, you gave to Him.  
You came empty handed, you will leave empty handed.  
What is yours today, belonged to someone else yesterday, and will belong to someone else the day after tomorrow.

You are mistakenly enjoying the thought that this is yours. It is this false happiness that is the cause of your sorrows.  
Change is the law of the universe. What you think of as death, is indeed life.

In one instance you can be a millionaire, and in the other instance you can be steeped in poverty.

Yours and mine, big & small erase these ideas from your mind. Then everything is yours and you belong to everyone. This body is not yours, neither are you of the body. The body is made of fire, water, air, earth and ether, and will disappear into these elements.

But the soul is permanent - so who are you?  
Dedicate your being to God.  
He is the one to be ultimately relied upon. Those who know of his support are forever free from fear, worry and sorrow.  
Whatever you do, do it as a dedication to God.
